38. [REDACTED] LIAISON At the request of [REDACTED] of our office, I called William G. Miller, Staff Director, Senate Select Committee on Intelligence, to tell him that a swearing in ceremony for DDCI-designee Frank Carlucci had been tentatively scheduled for 8 February at 5:00 p. m. I asked Miller if this conflicted with the Committee schedule and he indicated it did not.

39. [REDACTED] LIAISON Received a call from Loch Johnson, House Permanent Select Committee on Intelligence staff, who said Mike O'Neil, of the staff, had been in touch with Robert Keuch at the Department of Justice regarding the Agency's request to Justice for views on the release of an Agency document to the Committee which pertained [REDACTED]. I told Johnson that [REDACTED] Legislative Counsel, letter to Justice on this had been addressed to Benjamin Civiletti, Assistant Attorney General, DOJ, but that I would call Mr. Keuch in hopes that he would be able to expedite a Justice Department response.

40. [REDACTED] LIAISON Called Ed Schallert, Legislative Assistant to Representative Les Aspin (D., Wis.). We agreed to 7 February at 2:00 p. m. on the Hill for [REDACTED] NFAC, briefing of Mr. Aspin on SALT II verification capabilities and problems.

41. [REDACTED] LIAISON Received a call from Diane LaVoy, House Permanent Select Committee on Intelligence staff, and at her request and after numerous phone calls, I set up the following interviews for her: 2 February, 9:00 a. m. with [REDACTED] IC Staff, regarding strategic warning and indications; 7 February, 1:30 p. m. with [REDACTED] Chief, CIA Operations Center, for an intensive tour of the Operations Center; and 7 February, 3:30 p. m. with [REDACTED] IC Staff, regarding strategic warning and indications.

42. [REDACTED] LIAISON Received a call from Mike Epstein, Senate Select Committee on Intelligence staff, who gave me the names of seven former Agency employees whose testimony before the Church Committee has been requested by the House Select Committee on Assassinations. Epstein indicated the Committee's inclination was to show the testimony to the Assassinations Committee, however the Select Committee would listen to our views on this.

23. [redacted] LIAISON Suzanne Cavanaugh, from Congressional Research Service, called with a request for a list of all U.S. Government agencies which deal with terrorism. She had a requirement from Senator Abraham Ribicoff (D., Conn.) to pull together a package by 3 February on manning and budget charts of the entire USG effort against terrorism. I warned her that most probably I would not be very helpful and, after checking with [redacted], PCS/Terrorism, I provided the list of the 28 USG agencies which deal with terrorism through the NSC/SCC Working Group to Combat Terrorism. I told her that I could not provide either the manning tables or budget that CIA devoted to the task. She said that she fully understood and appreciated the listing of the USG agencies involved.

1. [Redacted] LIAISON Talked with Bill Miller and then Mike Epstein, both of the Senate Select Committee on Intelligence staff, and expressed some irritation at the line of questioning during this morning's hearing related to periods of Ambassador Carlucci's assignment to U.S. domestic positions. Miller said he thought Epstein and Senator William Hathaway (D., Maine) merely wanted to clear the record insofar as the lack of any involvement by Ambassador Carlucci in certain alleged political dealings in domestic agencies during his tenure there. Epstein confirmed what Miller had said and suggested that Ambassador Carlucci review the testimony of Fred Mallick before the Watergate Committee and Epstein provided us with a copy of that testimony.

3. [Redacted] LIAISON Received a call from Mike Hershman, Deputy Staff Director, House International Relations Subcommittee on International Organizations (Fraser Subcommittee). He informed me that the Subcommittee had authorized the issuance of subpoenas on six persons, five of them present or former CIA employees and the sixth being Admiral Turner. The subpoena to Admiral Turner will relate to the production of certain documents. Hershman said that before the subpoenas are issued, Chairman Donald Fraser (D., Minn.) is to meet with the Attorney General to discuss the status of Justice Department inquiries and the Subcommittee leaks. Hershman is not optimistic that the matter will be resolved at the meeting, however, and urged the channels of communication between the Agency and himself, the Director and Chairman Fraser be kept open. He said they wanted to communicate as much as possible on this matter.

I notified Tony Lapham, General Counsel, of my conversation with Hershman. He is to call the Justice Department to alert them, if they are not already aware of the Subcommittee's intentions regarding subpoenas.

After checking with [] NFAC/CSS, office we obtained for him the Agency publication entitled, "A Dollar Cost Comparison of Soviet and U.S. Defense Activities, 1967-77" but discovered that the best way to provide him with information on the Brazilian defense industry was to give him a briefing on the subject. 25X1 24. [] LIAISON Received a call from Jack Brady, Chief of Staff, House International Relations Committee. Brady said some of the staff members of the Subcommittee on International Organizations (Fraser Subcommittee) had informed him that the Justice Department had completed its action on the Derwinski matter but that executive agencies (particularly CIA) were still unwilling to resume access by the Subcommittee staff to documents not previously examined or witnesses interviewed. I told Brady that our information was quite to the contrary and that as I had indicated to him several days ago, the Attorney General had advised the Director that the Fraser Subcommittee matter was still open. I also restated to Brady my hope that before the Subcommittee issued subpoenas for further access to material and witnesses that Representative Donald Fraser (D., Minn.) or Chairman Clement Zablocki (D., Wis.) would discuss this matter further with the Attorney General. Brady thanked me for my assistance and said he would keep me informed.

25X1 25. [] LIAISON Talked with Stan Taylor, Senate Select Committee on Intelligence, about the progress being made by the Committee staff in investigating Ambassador Carlucci's background in connection with his nomination to be DDCI. Taylor had confirmed that the Committee had received Ambassador Carlucci's nomination from the White House. He also asked me about the Detroit Free Press article alleging that Secretary of State Vance and Dr. Brzezinski, Assistant to the President for National Security Affairs, were unhappy with Admiral Turner and were trying to get rid of him. I told Taylor I was aware of the rumors because of the press article but told him I was aware of nothing specific on this. I did comment, however, that anyone who is placed in a difficult position such as Admiral Turner is bound to be the subject of criticism or unhappy reaction.

25X1 26. [] LIAISON Ambassador Carlucci met privately with Senator Richard Lugar (R., Ind.) on his courtesy call.

25X1 27. [] LEGISLATION Called John Elliff, Senate Select Committee on Intelligence staff, to ask about hearings scheduled for 24 January on S. 1566, the electronic surveillance legislation. Mr. Elliff said that the American Civil Liberties Union and Mortin Halperin were the scheduled witnesses, and Senator Birch Bayh (D., Ind.) had a prepared statement. He also said that the next scheduled hearings were 3 February and the Committee would begin mark-up the week after those hearings.
