MEMORANDUM FOR THE RECORD

SUBJECT: Ms. Jean Fitz-Simon, Department of Justice, Request For Review of Senate Human Resources Subcommittee on Health and Scientific Research MKULTRA Files

STAT

1. [redacted] Ms. Jean Fitz-Simon who works on FOIA matters with the Department of Justice, is currently handling an appeal case on behalf of the Drug Enforcement Agency (DEA). In an attempt to determine what files and involvement if any, DEA has on MKULTRA type related matters, Ms. Fitz-Simon requested permission from Mr. Walter Sheridan, of the Senate Human Resources Subcommittee on Health and Scientific Research staff, to review the Subcommittee's files on drugs. Since the Subcommittee's files contain classified CIA documents, Mr. Sheridan wanted us to determine if CIA had any problem with allowing her access to the Subcommittee's files.
