Mr. Dan Childs  
Select Committee on Intelligence  
United States Senate  
Washington, D.C. 20510

Dear Dan:

On Wednesday, 14 June, I met with Chairman Bayh and Senator Goldwater to again press my case for the positions and funds I have requested for reorganization and expansion of the Intelligence Community Staff. During the discussion, a good many kind words were said by the Senators about the Committee staff analysis which has been done on this issue.

I just want you to know that, irrespective of the final decision, I have the greatest respect for the work you and others have done on this matter, and I hope we can continue to have a cooperative and constructive relationship.

Yours,

/s/ STANSFIELD TURNER
