23. [redacted] LIAISON [redacted] DIA, called and with regard to Representative Les Aspin's (D., Wis.) current trip to Europe asked if we had any indication that the Congressman would be seeking meetings with Defense attaches. He also asked what [redacted] Representative Aspin was using for his trip. I told [redacted] that he was going under the auspices of the House Armed Services Committee and that he wanted a meeting with a couple of country team representatives and that he might possibly seek a meeting with Defense attaches but that he had not made any such requests to date. 25X1 25X1 25X1

24. [redacted] LIAISON Called Brian Atwood, State Department, and mentioned my conversation with Hans Binnendijk, Senate Foreign Relations Subcommittee on Foreign Assistance staff, regarding the Committee's air balance study and asked if he would send us a copy. He said he would be happy to and I arranged to have a courier pick it up tomorrow morning. 25X1

25. [redacted] LIAISON In response to her earlier request and based on information provided by [redacted] C/CSS/NFAC, I called Martha Tally, House Committee on Standards of Official Conduct staff, and gave her the names of Edwin Reischauer of Harvard; Philip Habib, former U.S. Ambassador to Korea; and Donald McDonald, East Strasburg College, Pennsylvania, as suggested qualified witnesses that the Committee may want to contact. The Committee is planning hearings covering a historical perspective of what events in South Korea caused that Government to engage in a large scale program to solicit U.S. support of South Korea and had asked us to suggest qualified witnesses. 25X1 25X1

26. [redacted] LIAISON Took a call from Melanda, in the office of Senator Lloyd Bentsen (D., Texas), who inquired about tours of CIA for constituents. I indicated that tours were not available but that we would be happy to provide a briefing for a group of constituents on the Hill. 25X1

10. [REDACTED] LIAISON Talked to Thomas K. Latimer, Staff Director, House Permanent Select Committee on Intelligence, and told him that I had sent him a letter on [REDACTED] with several intelligence reports enclosed with it. I said that I was hopeful that the intelligence reports would help satisfy the Committee's needs on the areas of concern [REDACTED] and Soviet perception of U.S. peripheral reconnaissance). I indicated that [REDACTED] had been re-settled and that we would rather not bring him up for an interview by the Committee, but that I would be pleased to push further if there was continued Committee interest. 11. [REDACTED] LIAISON Accompanied [REDACTED] NFAC/CSS, to a meeting with John Roberts, Counsel for Senator Harry Byrd (D., Va.), Subcommittee on Intelligence within the Senate Armed Services Committee. Mr. Roberts said that Senator Byrd wants to energize the Subcommittee and begin to hold some hearings and briefings. He suggested that Mr. Roberts set up a CIA briefing on Africa and the Middle East and the Soviet and Cuban presence and activities therein. We suggested that this would be too much material for one session. Mr. Roberts was not sure whether he would want to have the DCI or DDCI attend these sessions or would want "expert level" witnesses. He tentatively suggested the 10th or 11th of April as suitable dates, probably between 10:00 and 12:00 a.m. He said that he would consult with Senator Byrd's office and get back with us. I gave him [REDACTED] of our office, name and number.

4. [redacted] FOIA/LIAISON Received a call from Miss Lois Smith, in the Portland, Maine district office of Senator Edmund S. Muskie (D., Maine), asking how to proceed with obtaining information for a constituent, Mr. Ken Kantro, who thinks because of his past association in the 1960's with the Student for a Democratic Society (SDS), CIA might have information on him in our files. I gave Miss Smith the name and address to pass on to the constituent and suggested she also have him send along a notarized statement as to his identity for purposes of expediting his request. I also mentioned to her that we have a very large backlog of cases and it would probably take several months to complete any search for Mr. Kantro. She thanked me and said she would so advise the constituent.

25X1

5. [redacted] LIAISON Spoke to Jim Smith, on the Senate Armed Services Committee staff, to inform him that William L. Ball, III, of the Committee staff, for whom clearances were requested, would require a current background investigation. Mr. Smith said he would ask the Defense Department to institute the same.

6. [redacted] LIAISON Don Richbourg, on the staff of the House Appropriations Subcommittee on Foreign Operations staff, called to check on the clearances of Barbara Rowan and Martha Talley, on the staff of the House Committee on Standards of Official Conduct, who were going to review documents in the Subcommittee offices that afternoon. 8. [redacted] LIAISON Lisa Kennedy, in the office of Representative Christopher Dodd (D., Conn.), called to ask whether there was any truth to the recent article claiming that missiles have been introduced into Cuba. After checking with [redacted] NFAC/CSS, I told her that we have no evidence that there has been an introduction of missiles into Cuba; similarly, we have no evidence that submarine pens have recently been built in Cuba. She expressed her appreciation and said that she would be passing this information on to Congressman Dodd.

7. [redacted] LIAISON Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, called with two questions: (a) are we currently engaged in re-drafting the Agency entry-on-duty secrecy agreement. After checking with [redacted] DC/Office of Security, I told him that we were not, that the secrecy agreement had withstood at least one court case and that it was considered adequate, and (b) what is the DCI position on budget disclosure? Mike had received a new version from an unnamed source and wanted to be sure about it. After checking with [redacted] of our office, I told Mike that the DCI's position, simply stated, is that the Executive will not object if Congress determines that it is in the national interest to publish one overall figure for the Intelligence Community, but would draw the line there: e. g., the Executive would object to providing the individual budget figure for any of the individual Intelligence Community member agencies.

The Senator's office had been contacted by a law firm who was interviewing applicants for a job. One of the applicants had stated that he used to work for the CIA.
