7. [redacted] LIAISON Called Ralph Preston, of the House Appropriations Defense Subcommittee staff, to ask him about the travels of Representative Robert L. F. Sikes (D., Fla.) to Costa Rica, Nicaragua and Panama. Ralph said that he knew that Mr. Sikes would be traveling to Latin America, but Ralph did not know to which countries nor for what purpose. He did say that he had no reason to think that it was Agency related. I passed this information on to [redacted] DO [redacted]
