FROM: John N. McMahon

SUBJECT: House Select Committee Hearings

25X1

1. The Permanent Select Committee on Intelligence of the House of Representatives has asked the DCI to send representatives to testify before the Subcommittee on Program and Budget Authorization during the period 19-23 January 1978.

2. Mr. Burlison's staff has emphasized that these sessions are a continuation of recent Committee hearings held on November 28-December 1, 1977. These are not budget hearings, per se. Their purpose is to educate the members on specific topics of interest to them in advance of budget authorization hearings.

3. The Committee rules require all testimony to be given under oath. The Committee has requested that a written summary of each presentation be prepared and forwarded

to the Committee at least three days in advance of the hearing. Alternatively, a prepared statement, or a copy of the speaker's script and graphic aids may be provided.

4. [redacted] Attached is a schedule of hearings and a proposed list of witnesses. Witnesses can be accompanied by back-ups, but because of limited size of the hearing room (H-405 of the Capitol), back-up personnel should be held to a minimum (one or two per witness).

5. [redacted] Copies of material prepared for delivery to the Committee should be provided to the Intelligence Community Staff 24 hours before submission to the Congress. Witnesses are reminded that they must limit budget discussion to the FY 1978 budget until the President's FY 1979 budget goes to Congress (in late January). The Committee staff advises they and the members are aware of, and will respect, this limitation:

6. [redacted] In response to a request by the Committee, I have appointed a single point of contact to coordinate activities on behalf of the DCI. I have asked [redacted] Office of Program and Budget Development, Intelligence Community Staff to take on this task. He can be reached on [redacted]
