clear

10. (Unclassified - THW) LIAISON Joe Nellis, Chief Counsel, House Select Committee on Narcotics Abuse and Control, called to ask if we could get him a copy of our statement for the hearing on 20 March up to him by close of business 16 March. He said that Chairman Lester L. Wolff (D., N. Y.) was leaving town and wanted to see it before he goes. I said we would make every effort we could, but because of the shortness of time and the amount of work we had to do I doubted if we would be able to have a cleared statement ready by that time.

11. (Unclassified - DFM) LIAISON Called Hal Ford, Senate Select Committee on Intelligence staff, regarding the letter received from Senator Adlai Stevenson (D., Ill.) asking for clearances for two personal staff members. Ford said although the letter mentions Stevenson's role on the Committee, the two staff members would not have access to Committee information.

12. (Unclassified - DFM) LIAISON Met with Bill Miller, Staff Director, Senate Select Committee on Intelligence, and informed him of John Elliff's; also of the Committee staff, request to receive a briefing on the Epstein book. I told Miller we did not object to briefing Elliff but we did not want to handle this on a piecemeal basis with various staff members as they became interested. Miller agreed to this and said that he would inform Elliff that the Committee as a whole would handle this matter. Miller said that the Committee probably would look into the case and that any inquiry would probably be headed by Jean Evans, of the Committee staff.

Miller also informed me that Senator John Glenn (D., Ohio) had requested that Dr. Leonard Weiss, Staff Director of the Subcommittee on Energy, Nuclear Proliferation, and Federal Services, Senate Committee on Governmental Affairs, be given access to the former JCAE papers now in the custody of the Select Committee. Miller said the Committee had previously informed Senator Glenn that he could personally look at them but no one else. Glenn is now pressing and Miller wants our view on this.

13. (Unclassified - DFM) ADMINISTRATIVE DELIVERIES Delivered to Susan Mahler, Senate Select Committee on Intelligence staff, Headquarters Instruction Sheet #1106 for HR 1, for Bill Miller, Committee Staff Director; and personal notes from a briefing regarding the Anatoly Shcharansky case for Ed Levine, of the Committee staff.
