Judy Schneider, of the Committee staff, called in the morning of 31 January 1978 to advise me that she and one other staffer would review the materials at 10:00 a.m. on 2 February. [redacted] D/SA/DO/O, was advised and agreed to these arrangements.

25X1 43. [redacted] LIAISON Received a call from Jean Evans, Senate Select Committee on Intelligence staff, who said Senator Charles Mathias (R., Md.) had wanted to ask Ambassador Frank Carlucci a question at his confirmation hearings regarding charges that he had been a "tool of CIA." The Senator did not have the opportunity and would like to submit this question for the record. Evans said he hoped we could cable this question to Mr. Carlucci in Portugal so that the response would be included in the report on the nomination which the Committee would be forwarding to the full Senate within a couple of days.

25X1 44. [redacted] LIAISON Called Stan Taylor, Senate Select Committee on Intelligence staff, regarding Jean Evans', of the staff, request that an answer to Senator Charles Mathias' (R., Md.) question regarding Mr. Carlucci be included in the Committee's report. On the Carlucci nomination Taylor verified my feeling that the report would not contain any verbatim answers to any questions and that this question and answer would go in the published Committee hearings.

25X1 45. [redacted] LIAISON Received a call from Patrick Long, House Permanent Select Committee on Intelligence staff, who asked for a briefing on Soviet space program emphasizing satellites in earth orbit. Long is particularly interested in the types of power plants on these satellites. After checking with [redacted] CSS/NFAC, I informed Long that the list he had requested of all Soviet satellites still in orbit would be finished this week and suggested that we hold off the briefing until after he receives the list, and then determine what further information he needs. Long agreed to this suggestion.

Long said he had set up a pre-briefing for Representative Robert McClory's (R., Ill.) trip to Geneva for 7 February at 2:30 p. m. in the Committee office. Long said NSA would be present at the same session and requested that I work with NSA on the exact schedule.

25X1 46. [redacted] LIAISON Took a call from Dee Creech, in the office of Representative Stephen Neal (D., N. Car.). Creech asked if the Agency had any traveling exhibits which could be displayed in the Congressman's district. I explained that we did not.

25X1 47. [redacted] LIAISON Called Angelo Codevilla, Senate Select Committee on Intelligence staff, and confirmed with him the meetings tomorrow with [redacted] C/EUR/DDO, at 9:30 a. m. for a debriefing on the trip of Codevilla and Senator Malcolm Wallop's (R., Wyo.) trip to Europe, and a 10:30 a. m. meeting with [redacted] NFAC, on Codevilla's anticipated quality of intelligence study on European Communist parties.

[redacted] OGC, attended a meeting chaired by [redacted] IC Staff, and attended by representatives from other Community agencies and departments to discuss charter legislation generally and particularly the SSCI draft Title II. The consensus was that the SSCI drafts overall were overly detailed and restrictive and that Title II in particular was completely unacceptable in its present form. It was agreed that [redacted] would draft a memorandum to the Director reflecting this position and recommending that he seek to have the probable SSCI sponsors of the legislation delay imminent introduction of the charter bill so that further efforts could be made to narrow disagreement and possibly reach agreement on a set of general charter principles.

12. [Redacted] *user* HEARING Along with George Cary, Legislative Counsel, and [Redacted] PA Office, I attended the first day of Ambassador Frank Carlucci's nomination hearings for DDCI before the Senate Select Committee on Intelligence, Chairman Daniel K. Inouye (D., Hawaii), Senate Select Committee on Intelligence, opened the hearing by announcing his resignation had been accepted by the Democratic Caucus and that Senator Birch Bayh (D., Ind.) had been appointed the new Chairman. Ambassador Carlucci read his prepared statement and then answered questions from Senator Bayh which dealt primarily with Executive Order 12036, from Senator William Hathaway (D., Maine) which dealt primarily with his previous Government career, especially in the Nixon Administration, and from Senator Walter Huddleston (D., Ky.). Senator Richard Schweiker (R., Pa.) made a brief statement in support of the nomination. Because of a late start and numerous interruptions for floor votes, the hearings were recessed until 30 January at 2:00 p.m. when there will be another open session followed by an executive session.
