8. (Unclassified - ELS) LIAISON Called Mildred Ward, in the office of Senator John C. Stennis (D., Miss.), and asked if she could help in getting the Intelligence Community Staff reprogramming letter signed today. She said she would try.

9. (Unclassified - RLB) LEGISLATION Discussed with Michael O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, draft proposed amendments to H.R. 12171, the "Federal Auditing and Accounting Act of 1978." (See Memorandum for the Record.)

10. (Unclassified - MDC) LIAISON Received a call from [redacted] Chief of the DDO International Terrorist Group, who relayed to me a message he had received from Senate Select Committee on Intelligence staffer Abe Shulsky, Senator Patrick Moynihan's (D., N.Y.) designee. Mr. Shulsky requested a copy of the report written on 21 July 1978 by the Critical Collection Problems Committee, Subcommittee on International Terrorism, which is chaired by CIA. [redacted] said he had no problem with releasing this report to Mr. Schulsky. (I turned the matter over to [redacted] OLC Liaison staff.)

11. (Unclassified - ABS) LIAISON Ted Shackley, Associate Deputy to the DCI for Collection Tasking, [redacted] C/NE [redacted] and [redacted] of our office, met with Cliff Fowler, GAO, to discuss the Agency's recommendations for changes in the draft GAO report on [redacted] (See Memorandum for the Record.)

12. (Unclassified - ABS) LIAISON Mary Frances Lowe, on the staff of the Senate Committee on Human Resources called in reference to a MKULTRA matter concerning a [redacted] Ms. Lowe, who was assisting Senator Richard S. Schweiker (R., Pa.) in reference to the Subcommittee on Health and Scientific Research probe on MKULTRA, wanted to ascertain if [redacted] was ever used wittingly or unwittingly by this Agency in reference to MKULTRA research at the National Institute of Health. After checking with OTS and OGC, I advised Ms. Lowe that we had no records that would substantiate this fact, however, I did caution her that the record and indices on MKULTRA are obviously limited and not complete.

13. (Internal Use Only - GMC) LIAISON Called Stuart L. Tomlinson, Assistant Director of the General Accounting Office's International Division, to discuss several points contained in the GAO's draft report on export licensing administration which the Agency has been asked to comment upon.
