5X1 5. [redacted] LIAISON Called Mike Hershman, Deputy Staff Director, House International Relations Subcommittee on International Organizations, concerning the Director's meeting with the Attorney General last Thursday regarding access to new material by the Subcommittee and its staff. (See Memorandum for the Record.)

5X1 6. [redacted] LIAISON Received a call from Pete Bonner, Senate Appropriations Committee staff. Bonner wanted to express his appreciation to all of the people whom he met on his recent tour of Latin American [redacted] and to compliment these people on the job they are doing. He asked that we express to them his appreciation of and hospitality of the time devoted to briefings. He made a particular point of the fact that having [redacted] with him had been extremely useful in many ways, facilitating contacts and dialogue with [redacted] and it was obvious that [redacted] appreciated the information he was able to convey to them on current developments in Washington. 25

5X1 7. [redacted] LIAISON Called Tom Smeeton, House International Relations Committee staff, to convey to him the results of the Director's meeting with the Attorney General last Thursday on the matter of further access to information by Chairman Donald Fraser's (D., Minn.) Subcommittee on International Organizations. (See Memorandum for the Record.)

5X1 8. [redacted] LIAISON Talked with Stan Taylor, Senate Select Committee on Intelligence staff, regarding the status of information needed by the staff in connection with the Committee's inquiry into the qualifications of Ambassador Carlucci for the position of DDCI. Taylor said their inquiries were proceeding well and he saw no need for any additional information at this time. He did express an interest in the Civil Service Commission investigation into irregularities in HEW.

5X1 9. [redacted] LIAISON Talked with Jim Bush, House Permanent Select Committee on Intelligence staff, regarding the timing of the Director's overview briefing of the Subcommittee on Budget Authorization as part of its consideration of the FY 79 Intelligence Community budget. Bush said the Committee schedule allowed for only two possibilities for the Director's appearance. One was on 3 February or on 11 February, which would be after some of the hearings on intelligence budgets had already been presented. He said Chairman Bill Burlison (D., Mo.) did not want to break the CCP presentation which is scheduled all day on 10 February. I told him we would take this matter up with the Director and I was later advised the Director talked with Chairman Burlison and it was agreed that he would make his presentation on 11 February.
