BLOKNOT AGITATORA, No 6, February 1952

TOPICS, PLANS, AND LITERATURE FOR CHATS IN MARCH 1952

1. 8 March -- International Women's Day

1. Soviet women -- active participants in state, political, economic, and cultural life of USSR.

2. Unwavering concern of the Communist Party and Soviet Government for the industrial and cultural growth of Soviet women, *for* the *protection* of ~~their~~ motherhood, and ~~their~~ *for* children.

3. Women of the USSR and the countries of the People's Democracy -- the advance detail of the international democratic women's movement.

4. The position of toiling women in capitalist countries and their part in the struggle for peace and democracy.

5. We shall respond to the Party's and Government's care of the Soviet women with new labor victories in the building of Communism.

LITERATURE

V. I. LENIN, *"On International Working Women's Day"* ~~For International Workers' Day~~ Works, Volume 30, fourth edition, pages 382-383.

I. V. STALIN, *"On"* ~~For~~ International Women's Day. Works, Volume 7, pages 48-49.

"Women of All Nations in the Struggle for Peace," Pravda, 15 December 1951.

RESTRICTED

RESTRICTED

2. We shall develop socialist competition for ^{pre-schedule} ~~the timely~~ fulfillment of the production plan for 1952

1. To fulfill the 1952 plan ^{ahead of} ~~as scheduled~~ -- the most important task of the workers in Moscow industry.

2. Complete use of techniques and experience of innovators of production is the basis of the furthest growth of ^{labor} ~~the~~ productivity ~~of labor.~~

3. ^{Firm} ~~Steady~~ labor discipline is a guarantee of the successful work of the enterprise.

4. To produce only products of excellent quality, to economize on raw materials, ^{materials} materials, fuel, and electric power is the duty of ^{the} industrial workers.

5. Develop socialist competition ^{more actively} ~~widely~~ to overfulfill the 1952 plan in all indexes.

LITERATURE

"The Life-^{Affirming Strength} ~~Sustaining Power~~ of the Ideas of Leninism," Pravda, 13 January 1952.

"The Principal Factor in Socialist Competition," Pravda, 15 January 1952.

"Use Production Reserves More Fully," Pravda, 4 February 1952.

"In MK VKP(b). The Initiative of M. Rozhneva and L. Kononenko, Stakhanovites ^{of} the Kupavinsk ^{Mill} ~~Fine-Cloth Factory~~, Moskovskaya pravda 16 January 1952.

RESTRICTED

"For Rapid Work Methods!" Moskovskaya pravda, 1 February 1952.

3. ^{High} ~~Strong~~ socialist labor discipline is the guarantee of the successful work of the enterprise

1. ^{High} ~~Strong~~ socialist labor discipline and Bolshevik ^{organization} ~~discipline~~ is a powerful weapon in the struggle for the further development of industry.

2. Productive use of every minute of working time is the guarantee of the successful fulfillment of the production plan.

3. Strict observance of technological discipline, ^{thrift} ~~careful-~~ ~~ness~~ in handling public property is the duty of all workers of the enterprise.

4. An everyday check on the results of socialist competition is the best means of raising the labor discipline and the qualitative indexes of the work of the enterprise.

LITERATURE

V. I. LENIN, "How Shall Competition Be Organized?" Works, Volume 26, fourth edition, pages 367-376.

V. I. LENIN, "Labor Discipline," Works, volume 30, fourth edition, page 408.
