16 JUN 1978

MEMORANDUM FOR: Director of SIGINT Operations
Director of Development and Engineering

SUBJECT : Change in FY 1978 Personnel Ceilings (U)

1.(S) The Fiscal Year 1978 personnel ceilings for OSO and ODE are revised effective 19 June 1978 as follows:

	Current Ceiling	Revised Ceiling	
OSO			25X1
ODE			

2.(U) This change as agreed upon by the affected offices involves the transfer of one contract officer position, GS-13, based in part on the need to support additional R&D contractual effort recently transferred from ODE to OSO. This transfer of course will apply in a similar fashion to future fiscal year personnel planning levels.
