- No official exchange is quoted on the Indonesian rupiah since it is not yet backed or tied to any other currency. However, a conference with the Dutch is being planned to link the rupiah with the guilder. The rupiah is not accepted or circulated outside of the Netherlands East Indies and it is officially circulated only in the Republican area. The unofficial local exchange between the rupiah and the Netherlands India Civil Affairs guilder is not known but it is reported to be changing daily in favor of the rupiah which has higher purchasing power in the bazaar.
