Company

Curriculum: as part of their Air Corps Officers' Training candidates, all of whom are 20 to 28 years old, are assigned to one of four courses of study by a Military-Medical Commission which carefully appraises their mental and physical aptitudes, general knowledge, and previous training. Courses are designed for:

1. Mechanics
2. Mechanical Assistants
3. Aircraft Instrument Specialists
4. Aircraft Weapons Specialists

Students remain only in one course of study. Flying is not taught at the school, and there is no adjoining airfield.

Equipment: The school is equipped with ten planes for study purposes. These include types Yak 1 and 5, IL 2 and Petlakov 2 and 4.
