- 1. The honservenfabrik in Radebeul (F19) has been given an order for eight million cans of meat and vegetables for delivery to the Soviets as soon as possible.
- 2. At the border of Saxony 2,000 cows, which arrived from Denmark for the Province of Saxony, were requisitioned by the Soviets and at once allocated to canning factories in Radebeul and Frankfurt/Oder.
- 3. On 3 October 1346 an order was issued demanding that 95% of the egg production in the Dresden area be handed over to the Soviets.
- 4. The entire grain harvest in the Dresden area was requisitioned and threshed under Soviet supervision and taken away in military transport. Informant states that this applies to all of Saxony.
- 5. Clover crops, which should have been stored for six months after being cut, were at once taken aray by the Soviets.
- 6. Large farms are being sequestered and all stocks removed without indication of the reason; in the district of foritzburg (F19) alone this has happened in seventeen cases since 25 September 1946.
- 7. All pigs in the area, including sows which were about to litter, have been requisitioned and slaughtered for canning factories.
