1. The Council of Joint Action is planning mass meetings throughout Malaya commencing 26 January.
2. A Pan-Malayan CJA meeting will be held in Kuala Lumpur at the end of January at which time the Government will be presented with CJA amendments to the Federation proposals. If the Government refuses to consider the CJA amendments, this organization will call a nation-wide strike.

25X1A6a [REDACTED] comment: An all-Malayan general strike called by the Council of Joint Action might prove crippling to the Government since the CJA includes various clerical unions and Federation of trade unions. The Government has thus far refused to negotiate directly with the CJA and works through a Government-appointed Consultative Committee.)

25X1A6a [REDACTED] 25X1A2g comments: [REDACTED], distributed 26 December 1946, reported the formation of the Council of Joint Action in Singapore 14 December. It is composed of left-wing associations comprising all communities. Malaya was represented by the Malay Nationalist Party. The three basic principles of the CJA are: inclusion of Singapore in the Federation, fully elected central legislature and equal citizenship rights.)
