SUPPLEMENT TO REPORT NO.

1. The Peron government plans to discover a new "plot" against the administration just prior to the elections in early December when representatives to an assembly to amend the Constitution will be chosen. This new "plot" will give the government a pretext to arrest leading figures in the opposition political parties and will insure the government's desired Constitutional reforms.
2. Members of the Socialist Party have sent a memorandum to two Buenos Aires dailies, La Prensa and La Nacion, exposing the government's projected plan. These papers, however, have not published anything on the matter for fear of reprisals from the government.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1973 from the Director of Central Intelligence to the Archivist of the United States.
