SUPPLEMENT TO REPORT NO.

1. The drafting of reforms to the Argentine Constitution is being carried out by Mrs. Peron and Jose M. Figuerola, President Peron's technical secretary and close adviser.
2. Considerable apprehension exists in both the Army and in Nationalist political circles over the nature of the changes to be proposed. Although the Nationalists are supporting Constitutional reform, at least one prominent Nationalist, Carlos Ibarguren, is very pessimistic about the outcome in view of the active participation of Mrs. Peron and Figuerola in drafting the new document.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
