Comment. The following account is reported not because it is believed that any of it will be realized, but merely as an indication of current Peronista psychology.)

A group of fanatic Peronistas has drafted a petition, containing proposals of public acts to honor President and Mrs. Peron, which is to be presented to Peron for his approval. There follow briefly several of the proposed suggestions:

1. Change the name of the city of Buenos Aires to Ciudad Peron (Peron City).
2. Change the name of Avenida de Mayo (one of the main thoroughfares in Buenos Aires) to Avenida Peron.
3. Manufacture and sell busts of Peron and his wife for use in the home.
4. Erect statues of Peron and Mrs. Peron in churches.
5. Substitute traditional figures on playing cards with those of Peron, Evita, et cetera.
6. Organize two pilgrimages a year to San Vicente (presidential retreat in Province of Buenos Aires) in honor of Peron and his wife.
