25X1X6  
1. The program set forth by Tan Malaka's Partai Moerba (opposition to "imperialism", "aliens", and negotiations with the Dutch) is similar to that of the Persatuan Perdjoengan (People's Front) of early 1946. It was as a result of the activities of the Persatuan Perdjoengan that Tan Malaka was arrested in the early part of that year.

25X1X6  
2. Agents of the Partai Moerba are working underground in Batavia through cooperation with the Dutch organization, the Progressieve Concentratie, led by Professor G.J. Resink and Dr. van den Berge; with the Communist elements of the Sin Ming Hui and the Sin Ming Lao Kung Hui; and with the remnants of the Partai Rakjat Djelata of Saercoen, whose address is Gang Tenga No. 31, Batavia Centrum.

25X1A2g  
Comment. [REDACTED] reported that Resink was a professor of law in Batavia and adviser to Sjahrir's Partai Sosialis Indonesia. [REDACTED] quoted van den Berge as having said that he would prefer to remain idle than to give up the "Soviet cause" which, in his opinion, is the only way to speed the Indonesian Revolution and independence. The Sin Ming Hui was reported in April 1947 to be a central Chinese labor organization which met in that month with leaders of certain Indonesian labor groups to discuss Sino-Indonesian labor unity. [REDACTED] described the Partai Rakjat Djelata, also referred to as the Lasjkar Pakoempoelan Rakjat Djelata, as a group of outthroats from Batavia, which was led by an Arab, Abdoelrachman Soengkar, assisted by Saercoen.)
