THE FOLLOWING REPORT WAS PREVIOUSLY 25X1A2g
DISTRIBUTED AS "CIA PRELIMINARY
SO DISSEMINATION NUMBERED OUT - ~~CONFIDENTIAL~~

1. Reports from the Dominican Republic concerning a possible invasion of that country from Guatemala are not confirmed by information received from Guatemala. Developments which may have caused the Dominicans great alarm were the shipment of arms to Guatemala on 23 and 26 April from Costa Rica, the visit of Dominican revolutionary Miguel Angel Ramirez in San Jose, Costa Rica, from 30 April to 2 May, and Ramirez' audience with President Arevalo.*
2. Source maintains that the arms are destined for the Guatemalan Army, and that Arevalo told Ramirez he could furnish no material aid for any revolutionary activities at the present time. Ramirez himself indicated in talks with various unidentified revolutionaries that no action is being planned at the present time against the Dominican Republic.
