[redacted]

- 1. A large number of Soviet trains was observed on the ZOSSEN (N 53/Z 91) - JUTTERBOG (N 52/E 69) RR line on 4 June 1949. A train, guarded by air force soldiers, was standing at the SPERENBERG (N 53/Z 80) RR station. This train also had flatcars, each of which was loaded with a box about 10 feet high, with a small opening at the front side with the inscription in Russian "Return containers". These cars had been dispatched from BOETZOW (N 53/Z 66) [redacted] on 2 June 1949 via FRANKFURT/Oder (O 53/V 53).

2. Comment:

[redacted]

The observed large boxes, only one of which was loaded on each flatcar, possibly contained aircraft or aircraft parts.
