During the week beginning 5 March 1950, a meeting of European steel interests interested in cartel negotiations was scheduled to take place in Luxembourg. Representatives of French, Belgian, Luxembourg, Dutch, and German interests were scheduled to participate. It is presumed, but not known for sure, that British interests would be represented as well. German participants were to include Schwede of Vereinigte Stahlwerke, Grosse of Hüttenwerke Weiderrich, Goetzke of Hagen Hüttenwerke, and Brüns of Oberhausen.
