During recent weeks Wiener, a representative of the Communist-controlled Vienna export-import firm, Intrac Gesellschaft fuer Internationalen Waren-austausch und Grosshandel m.b.H., Vienna 1, Singerstrasse 27, has had several interviews with employees of the Sales and Purchasing Office of A/O Avtovelo, Automotive and Fine Mechanics Department of USIA. Wiener is now negotiating with this office for the purchase of 25 five-ton truck chassis equipped with trailers large enough to transport 6,000-liter tanks, and three to five buses; Intrac is planning to ship all these vehicles to Hungary. Wiener has advised employees of A/O Avtovelo's Sales and Purchasing Office that he will complete this transaction if they will direct him to firms which are in a position to supply Intrac with tanks, machine tools, cylinder boring and grinding machines, and an escalator.
