- Following is a translation of a leaflet of the Chinese Students' Association in Austria which was seen in the possession of functionaries of the Communist Party of Austria:

"Chinese Students' Association in Austria

Peace and New Order for Asia
Peace and New Order for China

The troops of the Atlantic Pact nations, which allegedly united for reasons of defense, have been engaged in a long and bloody war designed to enslave the peoples of Asia. Great Britain is fighting the people of Malaya, France the people of Vietnam, and the Netherlands the people of Indonesia. Chiang-Kai-Shek's aircraft from Formosa Island are bombing the people of China. All of these military operations are being conducted with American arms and American money. The expulsion of Chiang-Kai-Shek's troops from Hainan Island, the struggle of the people of Vietnam and Burma, who have already succeeded ninety percent in liberating their countries, and the unabating resistance in Malaya are proof that, after the liberation of China, the liberation of all Asia will proceed unhampered.

The US hope of impeding this process of liberation by instigating a Third World War will miscarry. The Chinese People's Republic, united with the U.S.S.R. by the Sino-Soviet pact, and the other people's democracies have turned most of the Eurasian continent into a fortress of peace defended by 300 million. On May Day we Chinese Students in Austria will join in the demonstrations of the Communist Party of Austria for the rehabilitation of our country, for the end of imperialism in all Asia, for the resolutions of the World Congress for Peace and for outlawing the atom bomb and aggression.
