25X1A 1. [REDACTED] Mukden has entered a state of emergency akin to war. The Mukden People's Bank began at that time to move to other places, leaving only a small staff in Mukden to maintain regular business. Dependents of other Chinese Communist organizations started to move to the western part of Changchun.

25X1A 2. [REDACTED] the Chinese Communist Government ordered all big factories in Antung to start moving to Taiyuan (112-35, 27-52).

25X1A 3. In October military transportation between Mukden and Antung was very heavy. Ordinary passenger and commercial transportation services between these two places were suspended [REDACTED], had not been resumed. Because of the sudden stoppage of commercial transportation, commodity prices in Antung were rising steadily.
