- The attached map shows the location of three new barracks which have been completed just west of Kasperske Hory for the quartering of about 5,000 men. Also shown are an underground powder magazine and ammunition dump which are being built north of Kasperske Hory near elevation point 785 as indicated on map 4351 of GSGS series 4060. A barbed wire fence surrounds the construction area. Within Kasperske Hory construction of buildings reported to be intended for military purposes was begun at the end of June 1950.

Attachment: Map of the Kasperske Hory area.
