1. On 10 October the Kwangtung Military District Command transported 26 Soviet air force personnel and engineers from Nanshiht'ou (南石頭) and Hsiao-hsiang (小巷) to the second floor of the Chao Ho Hsiang (兆和祥) Company, Shameen. Since 20 October this building has been heavily guarded by Communist soldiers.
2. Between 3-10 October the Kwangtung Military District Command sent a group to Macao ostensibly for sightseeing but actually for surveying and preparing military maps. The party included CHANG Ho (張和), surveyor from the National Defense Research Section; two of his assistants; and KAN Cheng-sung (甘正嵩), military representative of the Chungshan (113-36, 22-22) Public Security Bureau. In Macao the party was escorted on daily trips by LAO Ping-shan (勞平山), Communist military representative in Macao.
