1. The Ministry of Health has a vehicle repair shop on Strada Turnatori No. 2, near Colentina. The shop has 30 workers.
2. The Recas Factory (Intreprindere Industriala Sanitara de State - State Industrial Sanitary Enterprise) is located on the Berceni highway about 300 meters past the Vacaresti prison. The factory has 1,500 employees who manufacture medical equipment such as chairs, syringes, and other instruments. The informant heard that 1,500 syringes, which was the production plan over a given period, had to be remelted.
3. The informant took flying lessons from January to April 1950 at the University Building located on the corner of Strada Bratianu and Strada Elisabeta. Instructors were as follows:
  - a. Navigation Iacobescu
  - b. Board instruments Partenic Popescu
4. Attached herewith is a sketch of the Chitila airfield, two kilometers outside Bucharest, pointing out the airfield administration building, hangars, living quarters, and emergency station.
