REPORT NO.

It is requested that there be no further distribution of this report.

1. Alexandros III, Patriarch of Antioch, has received, through the ordinary post direct from Moscow, a consignment of propaganda booklets accompanied by a request that they be distributed among Orthodox clergy in the Patriarchate.
2. The consignment consisted of well-presented 120-page booklets entitled "The Russian Orthodox Church in the Struggle of Peace" published in 1950 by the "Editions of the Patriarchate" in Moscow; and copies of the monthly "Journal of the Moscow Patriarchate".
3. The Patriarch is expected to take the advice given to him by his intimates, that it would be unwise for him to distribute these booklets, and thereby associate himself with the tendentious political propaganda contained in them.
