REMARKS

RETURN TO DIA LIBRARY

25X1X

1. On 4 May 1951, Goetzendorf (P 49/X 57) airfield was occupied by 39 PE-2s, 3 twin-engine semi-high-wing monoplanes with nose wheels, and 4 fighters with in-line engines. (1) Jeep [redacted] was parked in front of the 25X1B komendatura building and truck [redacted] was parked in front of the 25X1B hospital. Truck [redacted] was in front of the garage and the kitchen. (2)
2. Air force soldiers were seen at the DE schoolroom. Civilians were observed for the first time at the motion picture theater and the schoolroom for officers. (3)
3. A total of 16 van-like trucks, 35 trucks, and 8 tank trucks were counted at the motor vehicle parking lot. Ambulance [redacted] and tank trucks 25X1B [redacted] were secured. (2)
Heavy bicycle traffic between the airfield and the barracks installations in Pasangarten was noted. (4)

25X1A [redacted] Comments.

- (1) The number of aircraft observed agrees with the occupation previously reported. One regiment of the 8th Gds Bnr Div is still believed to be stationed at the field.
- 25X1B (2) The motor vehicle [redacted] belong to the [redacted] previously observed in 25X1B Goetzendorf.
- (3) For location sketch of airfield, see Annex. The officers schoolroom has been apparently released definitely by the Soviets for civilian purposes. See 25X1A [redacted]
- (4) According to previous reports, a Soviet Army unit, probably a training unit, is quartered in Pasangarten, a barracks installation southeast of Goetzendorf. For location, see Annex. It is believed possible that air force soldiers of the regiment stationed in the barracks installations.
