[REDACTED] 25X1A

## Legend:

1. Dumbo set south of MVD building.
2. Dumbo set west of garages. Two radio trucks were dug into the ground about 10 meters from the set.
3. Garages.
4. MVD building.
5. Guardhouse.
6. Telephone exchange.
- 25X1C 7. Radio truck [REDACTED] with telescopic mast. About 10 meters north of the radio truck there was a radio mast about 10 meters high from the top of which a wire lead to the door of the radio truck. Another radio truck was dug into the ground next to radio truck [REDACTED] mentioned above.
8. Hospital. 25X1C
9. Bunker-like building with a flat roof. An antenna rod about 3 meters high was situated on top. Fifteen meters from the building there was an antenna mast about 10 meters high from the top of which a wire lead into a window of the building. A truck was dug into the ground about 20 meters from the bunker-like building. Next to the truck there was an antenna mast about 10 meters high from the top of which a wire lead to the door of the truck.
10. Two-strand telephone line.
11. Four-strand telephone line.
12. Two rubber cables, each about 10 mm in diameter.
13. One rubber cable, about 10 mm in diameter.
14. Room on first floor of central telephone exchange into which the above mentioned cables and wires lead. Two wooden masts, each about 12 meters high, were located about 15 meters in front of the building. Metal rods, about 25 cm apart, were fitted on a wire connecting the two mastheads.
