The Czech Trade Delegation, which is now negotiating with Austrian representatives in Vienna, is pressing the Austrians to raise the schedule of imports from Czechoslovakia to \$5,000,000. (The schedule at present under discussion calls for the purchase of \$2,000,000 worth of essential materials). The Austrians may raise the amount to \$3,000,000 or \$3,500,000, but have informed the Czechs that, regardless of the final figure agreed upon, purchases under the drawing rights scheme will be essential materials only, and few non-essentials will be financed under the provisions of this agreement.
