SUPPLEMENT TO REPORT NO.

1. General Pedro Aurelio Gois Monteiro talked by telephone prior to 21 August with Colonel Pedro da Costa Leite, chief of cabinet under General Ciro Espirito Santo Cardoso. At this time General Monteiro stated that without any doubt his mission to the United States had failed. He was highly pleased with the personal consideration shown him, but equally disappointed that the United States Government was willing to talk to him only on military matters.
2. Source believes that the United States' failure to give General Gois Monteiro something tangible in the economic field has greatly prejudiced the position of those in the Brazilian Government who are fighting for close cooperation with and support of the United States Government.
