SUPPLEMENT TO REPORT NO.

Edvard Kardelj, Yugoslav Foreign Minister, is reported to have recently stated that the policy pursued by the United States toward the Chinese is too inflexible and rigid. The United States takes statements made by the Chinese too seriously and makes no attempt to win the Chinese over. Allegedly, Kardelj declared that the United States is not sufficiently aware (sic) that the Chinese are ready to come to terms on all problems, and to "leave the Russian fold." It is the opinion of the Yugoslav Foreign Minister that the United States should demonstrate her good intentions toward India<sup>1</sup> by continuing to make grants to that country.
