REMARKS _____

50X1-HUM

1. On 2 July 1951, it was learned that a Soviet medical depot was located in Potsdam, Hauenervorstadt, between Hoehenstrasse and Bertinistrasse. The entrance was on Bertinistrasse. Four garages and one barracks building were identified. *

2. Motor vehicles counted in three garages totaled: 11 ambulances, 1 light-blue bus, 8 sedans, and 3 trucks. _____

50X1-HUM

_____ Ten to 12 more motor vehicles were observed in the fourth garage _____

3. During the time of observation, truck _____ was observed entering the depot. It left, somewhat later, loaded with one large and several small boxes painted red and bearing a white cross. Sedan _____ was also observed at the entrance. **

50X1-HUM

4. _____ Comment. The present report confirms the medical depot on Bertinistrasse, Potsdam, in early July 1951. Large shipments of medical equipment from the medical depot in Markersdorf near Chernitz arrived at the depot in June 1951. _____

50X1-HUM

5. _____ Comment. The motor vehicles belong to Rear Services/GOFG and the GOFG.
