1. On 7 October 1951, one train of 41 boxcars, probably carrying personnel, was observed passing through Kuestrin-Kietz in the direction of Frankfurt/Oder.
2. One train of 53 boxcars carrying personnel was seen at Frankfurt/Oder railroad station on 11 October. A similar train was seen there on 13 October. The personnel came from the direction of Cottbus and were detained in Rosengarten.*
3. On 12 October, billeting equipment and ammunition of the 9th Mechanized Division were loaded at Weisswasser railroad station.**
4. On 14 October, a train of 26 boxcars and 26 flatcars loaded with aircraft crates passed through Frankfurt/Oder. The train was going from Eberswalde to Brest-Litovsk.***

25X1X

25X1A

Comment: If the train observed on 7 October was occupied, it probably carried recruits to the USSR. The same cannot be said for the two trains observed on 11 and 13 October which possibly went to Guben.

25X1A

Comment: This information tends to confirm other information that the 9th Mechanized Division had left its troop training grounds and would arrive at its home station about 20 October.

25X1A

Comment: It could not be determined whether the crates were full or empty. The train possibly carried one of the fighter regiments from Flnow.
