REMARKS

RETURN TO CIA LIBRARY

25X1X

1. There was an airfield 3 km east of Vrchlabi (O 51/G 55), just north of the highway to Prostr.Lanov (O 51/G 55). The field bordered on a wooded area to the north, meadows were to the west and east and a highway to the south. The landing field covered an area of about 800 x 600 meters. Two hangars, one about 30 x 15 meters and the other 20 x 15 meters were observed on the southern portion of the field.
2. Chief pilot of the field was one Uhlir, (fnu), about 35 years old and 180 cm tall. According to his statements, 2 Sokol type planes, about 8 powered aircraft, 10 gliders, and 1 helicopter were stationed at the field. Military training was also said to be conducted there. Soldiers who wore blue uniforms and quartered near the railroad station were seen in the town.
