[REDACTED]

1. Allegedly, Soviet experts and military men are constructing a new base for launching V-2 missiles on the mountain of Costila, near the town of Azuga (Prahova). The town of Azuga has a population of approximately 3,000. It is known as a regional industrial center with many factories, the products of which are sent to the Soviet Union.
2. The above V-2 base is the second one constructed. The first base was constructed three months ago atop the Muntele Mic Mountain near the town of Timisoara.
