The following are UDB directives for anti-Cominform activity in Zone A, Free Territory of Trieste:

1. Following directives issued in Belgrade, an all-encompassing active fight against the Cominform in Zone A will be initiated.
2. It must be determined which members of the pro-Cominform (Vidali) Communist Party in Zone A factories are approachable and which members are unapproachable fanatics. Once having determined which are approachable, activists of the pro-Tito (Babic) Communist Party will approach and cultivate them.
3. The nature of the work, aims, and organization of the pro-Cominform Party in Trieste must be learned. A special effort must be made to determine all the present members of the Central Committee of the pro-Cominform Party.
4. To recruit present members of the pro-Cominform Party who are willing to remain within the Party and, at the same time, report on its activities.
