1. In the past few days the Polish Government sent to the Egyptian Government a secret diplomatic note in which Poland expressed a desire to improve diplomatic relations with Egypt and to increase commercial exchanges between the two countries. In addition, the Polish Government asked the Egyptian Government to nominate a minister plenipotentiary to Warsaw rather than to entrust the post to a charge d'affaires, as is now the case.
2. It appears that the Egyptian Government welcomed the above suggestions and in the near future will designate a new minister plenipotentiary to Warsaw.
