25X1 1. In late October 1951 a sanitarium at Luhacovice, north of Uhersky Brod, was requisitioned for Soviet officers. Furthermore, Soviet officers had already moved into a sanitarium in Trencin Teplice. It is believed that both places will be used partly as Soviet health centers. However, it is alleged that the Czech military will be established at Trencin Teplice where large construction projects are underway.*

25X1 * Comment: The Second Military District headquarters are located in Trencin.
