25X1	٦3، ,	On 15 June, 30 tes trucks on one train and 10 H-13 rocket launchers,
		25%
		and about 100 solders wearing ad-bareared black opeulets from another train were unloaded at the Caeberose railroad station. ** Thirty old truck of American origin with covered numbers, which, according to a railroad official were bound for Breat Latovsk, were loaded on the same day.
	l _{Lo}	During the period from 25 to 30 May, the parking area north of the Jamlilz-Staakow read and southwest of the Schwansee in Camp Jamlitz
25X1		was escupied as follows: 80 trucks including 25X type reconnsissance cars, 6 half-track vehicles nowring twinnachine guns, 30 canvas-covered armored vehicles,
	Zi.	including T-31/05 anks, JS tanks and SP guns, 20 x 57-cm AT guns and 10 retorcycles. Oring the same period, the parking area north of the Janlitz-Leeskew read, west of the Schwansee was occupied by: 90 trucks,
25X1 25X1		a caliber of 76 ur; 20 AT guns which 25X apparently had 57-tan caliber; 2 small amphibious vehicles; 6 half-track vehicles mounting dwin machine guns: 19 rocket laurchers and 20
25X1		were parked about 100 meters east of the parking area in the southern section of the camp.
	5.	raining at no greater than company strength was noticed during the period from 25 to 31 May. There also was firing with live amunition by individual tanks. Soldiers engaged in service of the piece drill on six 75-mm AA guns in the parking place north of the Jamkitz-Loosk w read, west of the Schwansee.
	25X1	Two JS tanks and two SU-249 SP guns were loaded at the Lieberose rail- moad station on 25 May and wore distracted toward Frankfurt/Oder in the norming on 26 May. Two cast with boxes for the headquarters arrived at the railroad station from Unit in Eberewaldo (H 53/V 08), was Five field bakeries arrived at the camp prior to 31 May and were sheltered in the ration supply depot west of the Lieberose railroad station. For wooden sheds, 30 inters long and 15 meters wide, were seen in the westurn section of the camp. They stoud accountion. The building for an officers' club was nearing completion south of these sheds. Colonel lesterof (fun) worst on furlough for 8 weeks on 31 May.
25X1 25X1	7.	airceaft totting sleeve targets flying in the direction
20/(1		of Lieberose. They flew individually while towing these targets, and three or nore aircraft were aleft at a time. Fire of AA guns was heard from the direction of the Lieberose troop training grounds.
