25X1	5.	station was occupied by troops wearing black-bordered black epaule ts and guarded by sentrics wearing black-bordered crimson chaulets. No	
25X1		training activity was noticed.	2
		on 17 July, the Ludcudorff Kaserne on Gueterfelder Damm was occupied by soldiers wearing black-bordered black epaulets. No training activity was noticed. A radic station with four masts with a small building in the middle was seen east of Gueterfelder Damm.	
25X1		and market and good east of disperience, Dames	- 2
	7.	On 17 July, the Siegfelt Kaserne on Gueterfolder Damm was occupied by broops mearing black-boriered black epaulets. No training activity or transfer of motor vehicles was seen. *	
25X1	*	Jorment. The signal units of the GCFC believed stationed in the three barracks installations appear not to be involved in the transfer from Potsdam to the area of mensdorf-Zossen of the GOFG headquarters and offices in late May and early June 1952. The information indicates	
		changes in the occupation strength of the individual barracks installa- tions since a reviews report in June 1952 which, however, can be	2
	Г	accounted for by seasonal practices.	-2
