25X1		Comments.	
	(1)	According to reliable reports, the main administration of the Air is quartered in the reconstructed administrative buildings of the jobacousthal airfield. The main entrance to the field is located butliner Dawn. Since Schoenefeld airfield is located about 10 km Johannisthal airfield the reported route to the field is not corrit is believed that Schoenefeld and Johannisthal airfields were come present report.	Ferlin- on Gross- south of
	(2)		
	(3)	This report contains the first indications of the existence of Air bosides the rain administration. Freviously, no VFD was known to in Dandzen. However, it was repeatedly reported in connection with (Main Administration Training) that the Panzer Kaserne in Kamenz by Volkspolizei.	c located .
		The Panzer Kaserne, formerly Albert Kaserne, is located at the not of Kamerz, west of the road leading to Eschernau. The southern see bearracks installation has been divided into two parts by a newly of the western half was occupied by Soviet Army units and the eastern colkspolized. The northern section of the bearracks	othern exit ttion of the erected wall.
	(5)	be Measen, north of Dresden. From this it is inferred that the enderracks installation will probably be occupied by the Kamenz Air Kamenz airfield is located south of Zschornau, about 500 meters not the Panzer Kaserne, east of the road to Eschornau. On 27 June is reconstruction work started at the field. For latest report on started to the conditioning of the field is undoubted with one UPD Air in the Panzer Kaserne. Hence	transferred tire VPD. rth-northeast 952, tus of field,
		muit will soon start air training activity at the field.
