Units of the Fourth Gds Mecz Army returned to their mosts from the field exercises in the area of Rathenow, probably going from Rathenow to Merswalde from Gross Tudicke to Oranienburg.  Comment. Information by other sources indicated that Gamo Fittkan was only partially occupied on 11 September.  It is probable that the camp was vacated after the completion of the fell maneuvers of the Third Shock Army in mid-October.
25X1 25X1 25X1 25X1	5.	Comment. the units entrained apparently were units of the AXIX Cds Ltz Rifle Gorps and of army troops of the Lighth Cds Army. The first trains to leave were observed on route from Tiesenburg to the district of Halle on Ló October.  Another report indicated that 1,200 railroad cars had to be made available for runs to Tiesenburg and Polzig during the period from 1; to 10 October.
