2. On 8 November, the Adolf Hitler Kaserne on Kurt Fischer Allee was occupied by about 800 troops wearing black-bordered black epaulets and billeted in the quartering buildings fronting Königsbruecker Strasse. About 60 troops wearing black-bordered black epaulets with signal insignia were billeted in the quartering buildings on Toller Strasse. Individual soldiers were seen maintaining motor vehicles. Briquettes were being trucked to the assembly hall.²

3. During the period from 20 October to 8 November, the Bucher Kaserne on Marien Allee was occupied by about 150 troops wearing black-bordered crimson epaulets. No training activity was observed. A small number of troops wearing black-bordered black epaulets with signal insignia constructed a telephone line on newly erected poles from the installation toward Dr Kurt Fischer Allee.

5. From 20 October to 7 November, the AAA emplacements in the damaged area of the former 100th Grenadier Regiment Kaserne, northeast of Dr Kurt Fischer Allee was, as previously, equipped with at least one 76-mm AA gun and manned by about 60 troops wearing red-bordered black epaulets. Sedan [redacted] was seen coming from the direction of the billets of the AA gun crews, on 28 October. 25X1
6. On 3 November, the Hermann Goering Kaserne, 1 km south of Klotzsche, was occupied by about 1,500 troops wearing red-bordered black epaulets, including some with tank insignia and, a few, with motor transport insignia. No tanks or fresh imprints of tank tracks were seen. No training activity was observed. 25X1
7. On 3 November, the Napola installation in Klotzsche was occupied by about 1,000 troops wearing red-bordered black epaulets, including a few with motor transport insignia. Training activity or vehicular traffic were not observed. 25X1
8. [redacted] the SS Kaserne Wilder Mann on Moritzburger Landstrasse [redacted] was occupied by an engineer unit of about 400 troops with 30 to 40 pontoons and 50 trucks. [redacted] 76 troops wearing red-bordered black epaulets, armed with rifles and led by a captain entered the installation, coming from the Heller. Fifty troops wearing red-bordered black epaulets engaged in combat practice in the area north of the installation. [redacted] 25X1
9. [redacted] the barracks installation on Washington Strasse, Uebigau, was occupied by a rear detail only, after the unit had left for Wiesa during the preceding days. Light vehicular traffic was observed. [redacted] 25X1
