MEMORANDUM FOR

THE DIRECTOR OF CENTRAL INTELLIGENCE

I have reviewed the Objectives for the Intelligence Community for Fiscal Year 1976 which you recently forwarded for my approval. Your Substantive Intelligence Objectives and Resource Management Objectives present a viable plan for achieving the stated goals of the Intelligence Community for this fiscal year. As budgetary restraints become more stringent, the efficient and effective management of the Intelligence Community's resources become increasingly important.

I approve the Objectives for the Intelligence Community for Fiscal Year 1976. These Objectives will provide the kind of systematic guidance essential for the vital and complex activities of the Intelligence Community.
