14 December 1973

MEMORANDUM FOR: Intelligence Resources Advisory Committee  
Members  
Chairman, Intelligence Research & Development  
Council  
Deputy to the DCI for the Intelligence Community  
Chairman, Security Committee, USIB

SUBJECT : Implementing Actions for National Foreign  
Intelligence Program Management  
Objectives for FY 1974

1. Following discussions within IRAC, the DCI has approved the attached resource related management objectives. The requirement to work out implementing plans is specified in the introduction to the objectives. These plans should specify actions and tasks to be undertaken, time schedules, and those matters relating to milestones and accomplishments that are to be reported to IRAC. Implementing plans are to be forwarded to the Chairman, IRAC Working Group, by 20 February 1974. Initial quarterly reporting should commence with the second meeting of IRAC in 1974.

2. The responsibilities for drafting implementing plans are as indicated in the attachment.

3. Questions concerning scope and procedures should be referred to [redacted] Chairman of the IRAC Working Group
