UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : Revised Version of Priority National Intelligence Objectives--DCID No. 1/3

REFERENCES : a. USIB-M-479, 29 June 1967, item 4
b. DCID No. 1/3 (Revised 1 July 1966)

1. At the request of the CIA member of USIB, the attached draft of a revised version of the Priority National Intelligence Objectives (PNIOs) is circulated for consideration by the USIB as a replacement for the previous version last distributed as DCID No. 1/3 effective on 1 July 1966 (reference b.).

2. As indicated by Admiral Taylor at the 29 June 1967 Board meeting (reference a.), the CIA has been making a careful review of the PNIOs, in connection with a comprehensive look at the entire requirements problem, in an effort to sharpen the PNIOs so that they more truly reflect national priorities. Following the Board's concurrence in a postponement of the regular annual review of the PNIOs, CIA has completed its study and proposes the attached draft of a revised DCID No. 1/3 to supersede the previous version.

3. It is planned to schedule the attachment on the agenda of an early USIB meeting.
